

DUOC AGM Minutes 2018

6 June 2018 Riverside Bar

1. Welcome and Captain's Report

Matthew: Started before Freshers' Fair with White Rose Weekend and the Sprints and Middles at the end of September. Then we had a reasonable turnout for the taster sessions but poor for training in general. Ouseburn and Sheffield were good.

2nd term, we started with most people being at Edinburgh...*ENTER HANNAH*...Thanks to Emily and EUOC people for that.

BUCS attempt 1 wasn't great, BUCS 2 went logistically well.

Matthew went for a run by himself :-((It was a club run...)

4 at York, 4 at Saltburn, 1 loner at Kilnsey and we've got a team for the relays at the weekend which is great.

2. Treasurer's report

Luke: I've got no report. We have quite a lot of money.

Matthew: Luke sorted VAT (as previous treasures didn't). Transport and expenses still need sorting but will be, delay as needed to use up club grant first. That was £150 as before. Will be sorted in next few weeks.

3. Coach's Report

Julie: Disappointing turn out first term

4. Webmaster's Report

Daniel: Been hard to keep up to date, having two people working on site may help

5. Social Report

Sam and Hannah: Good turnout for socials, we actually had some

6. Andrew's report as he felt left out
